

DEAR DR. NEZJAT,

4/1/10

I PAINTED THIS CARD FOR YOU. IT EXPRESSES HOW YOU HAVE GIVEN ME LIFE AGAIN. I CANNOT EXPRESS OR EMPHASIZE ENOUGH HOW GRATEFUL I AM FOR YOUR HEALING HANDS, WISDOM AND WARM HEART. YOU HAVE GIVEN ME BACK MY LIFE. MY LIFE WAS A REVOLVING DOOR OF DR'S OFFICES AND ERS AND PAIN MANAGEMENT, WITH NO SOLUTION OR RELIEF. DR. RENEE HILLIARD WAS RECOMMENDED TO ME BY A FRIEND AND (LAST) IN LINE OF DOCTORS THAT I VISITED TO HELP ME. SHE IMMEDIATELY UNDERSTOOD MY ISSUES AND INSTANTLY REFERRED ME TO YOU. I AM SO GRATEFUL. I HAVE LOOKED AT THE PHOTOS AND THE POST-OP REPORT AND BREATHE A SIGHT OF RELIEF. THAT AT LAST, SOMEONE KNEW HOW TO FIX ME. YOU TRULY FOLLOW THROUGH ON YOUR WORDS, "YOU ARE MY PATIENT NOW AND I WILL TAKE GOOD CARE OF YOU." YOU DO WONDERFUL CARE OF ME AND, MY BODY IS NOW FREE OF DEEP INFILTRATING ENDOMETRIOSIS. I KNOW I HAVE MORE WEEKS OF HEALING. MY LIFE AHEAD IS FILLED WITH MUCH MORE ENERGY AND DESIRE TO BE OUT AND ABOUT IN THE WORLD OF WORK AND FRIENDS. I CAN NOW LOOK FORWARD TO EVERY SINGLE MINUTE OF MY LIFE AND ALL THE

ACTIVITIES I LOVE SHARING WITH MY FAMILY (THAT I WAS NOT ABLE TO DO): CYCLING, HIKING, CAMPING, SWIMMING AND BIRD WATCHING. THERE ARE NO LIMITATIONS. THANK YOU FOR HELPING ME. YOU ARE AN AMAZING PERSON, A VERY TALENTED SURGEON/DOCTOR AND A VERY COMPASSIONATE GIVING SOUL.

ALL MY BEST TO YOU
AND YOUR STAFF.

Tracy Verrier
